

Ref No: APL/Proj/Formalin-II/2019/1205

Date: 06/06/2019

Corrigendum - 1

Name of the Work: LSTK Contract for 200 TPD Formaldehyde Plant of APL
Tender Number: APL / PROJ/ FORMALIN-II/2019 / ITB – 003 dated 16th May, 2019

Modification / Additional information of the above mentioned Tender document is listed below,

A. Annexure 19, Serial no. B1, Column 2

“The Process technology supplier must have supplied technology for at least one Formaldehyde plant of capacity 200 TPD or above and plant should have been in commercial operation continuously at least for the last two years.”

Is to be replaced with,

“The Process technology supplier must have supplied technology for at least 1 (one) Formaldehyde plant of capacity 200 TPD or above and plant should have been in commercial operation continuously at least for last 2 (two) years.

Or

The Process technology supplier must have supplied technology for at least 2 (two) Formaldehyde plant of capacity 100 TPD or above and plant should have been in commercial operation continuously at least for the last 5 (five) years.”

B. Annexure 19, Serial no. B2, Column 2

“The parties not having technology of their own can also participate if they have technology collaboration / tie-up agreement with a modern, proven and energy efficient formaldehyde process licensor/ technology supplier with a capacity of 200 TPD or above. The party intending to offer bid must have design, engineering, procurement, erection, pre-commissioning and commissioning capability of Plants of such magnitude to take up the job on LSTK basis”

Is to be replaced with,

ASSAM PETRO-CHEMICALS LIMITED

(A Government of Assam Undertaking) | An ISO 9001:2008 Certified Company
